

Haunted Geocache Checklist: Arkansas & Oklahoma

1. Haunted Arkansas Adventure Lab (Adventure Lab)

Coordinates: Multiple Locations

Created by Amber. This Adventure Lab guides you through five haunted locations across Arkansas. Each stop reveals chilling stories and local legends. Completing all stages unlocks a bonus cache.

Found It!

2. Tilly Willy Cache (GC4359A)

Coordinates: N36° 01.000' W094° 08.000'

Near the site of the old Tilly Willy Bridge in Fayetteville, AR. Local legend tells of a woman who drove off the bridge with her children. Their ghosts are said to still haunt the area.

Found It!

3. Dead Women Crossing (GC6AFNE)

Coordinates: N35° 32.000' W098° 43.000'

Located in Weatherford, OK. This site is linked to the 1905 murder of schoolteacher Katie DeWitt James. The area is steeped in legends of her ghost haunting the creek crossing.

Found It!

4. Appalachia (GC87A)

Coordinates: N36° 08.000' W096° 20.000'

Located in the ghost town of Appalachia, OK. Abandoned around 1960 when Keystone Lake was built. A quiet and eerie place with a rich history, perfect for ghost hunters and geocachers alike.
